Mayor Roper being present in person called the meeting to order at 7:00 p.m.  
Dorothy Jeffery being present acted as secretary.

The Mayor stated that the meeting was a public hearing for the purpose of the consideration of adopting an ordinance establishing the salaries or compensation of the Elective or Appointive Officers of the City of Delta, Utah, shall receive for their services.

After a general discussion of the council, a motion was made by Councilman Archie Barben to increase the salaries of the Mayor to \$650.00 per month and \$200.00 per month for each councilman; increase to be effective as of January 1, 1980. The following reasons were given for the need to increase the salaries.

1. Increase of work load caused by the construction of IPP
2. Time lost from regular jobs to attend meetings
3. Council meeting changed from twice a month to weekly

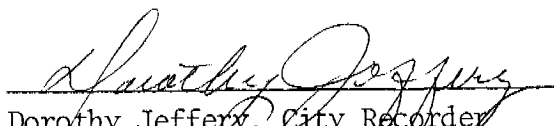

Councilman Barben's motion was seconded by Councilman Callister and received the unanimous affirmative vote of all councilmen present.

A general discussion was held on the amount to pay for a monthly retainer for the city attorney. It was the decision of the council to increase the amount to \$200.00 monthly retainer plus an hourly rate to be charged for additional work or hours; hourly rate to be determined at a later date.

No interested parties appeared for the purpose of objecting to or approving the decision of the council for the increased salaries, so Councilman Bird then made a motion to adjourn, motion seconded by Councilman Callister and received the unanimous affirmative vote of all councilmen present.
